Medical/ Other	7
Exposure	16

178

## YE Severity by Financial Impact

YE Incurred Incident by Type	Incurred \$ Amount
Slip/Trip/Fall (24)	\$109,325
Struck by Object (18)	\$30,614
Cut by Object (5)	\$4,290
Strain/Sprain (13)	\$13,740
Contact to Hot/Energized Surface (2)	\$576
Exposure(7)	\$5,167
Medical / Other (1)	\$5,986

\* Note- this includes only WC claims in which benefits have been paid or reserved.

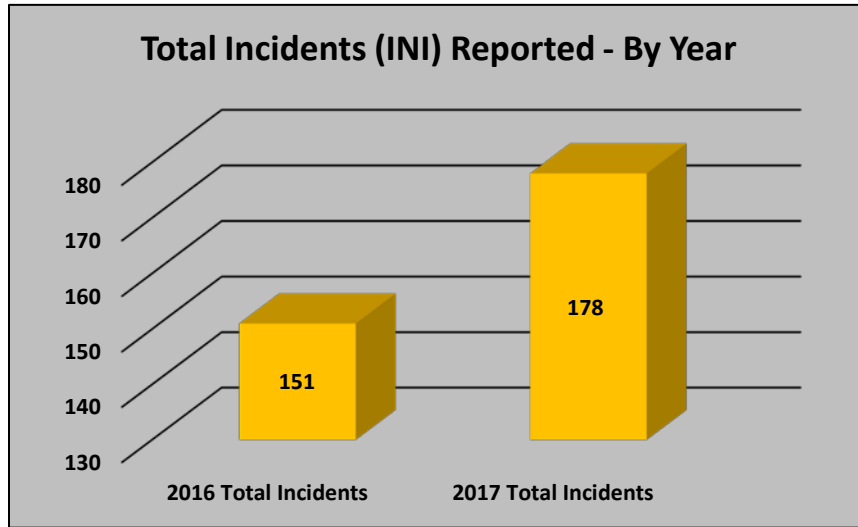

2017 Take Aways
*2017 WC Claims cost ASU \$169,698 in calendar yr 2017.
* Total incurred on ALL OPEN CLAIMS is \$2,820,965 (down \$133k over last month).
*Since beginning to track incorrectly placed sharps in late July, 6 near hit incidents have been recorded.
* 84 undergrad students could have been granted free tuition for the semester with the amount of money spent on claims with a 2017 incident date (\$2,000/semester).
*Slips, trips, and falls lead in total overall WC Claims and negative financial impact to the University.

**December Incident Summary**

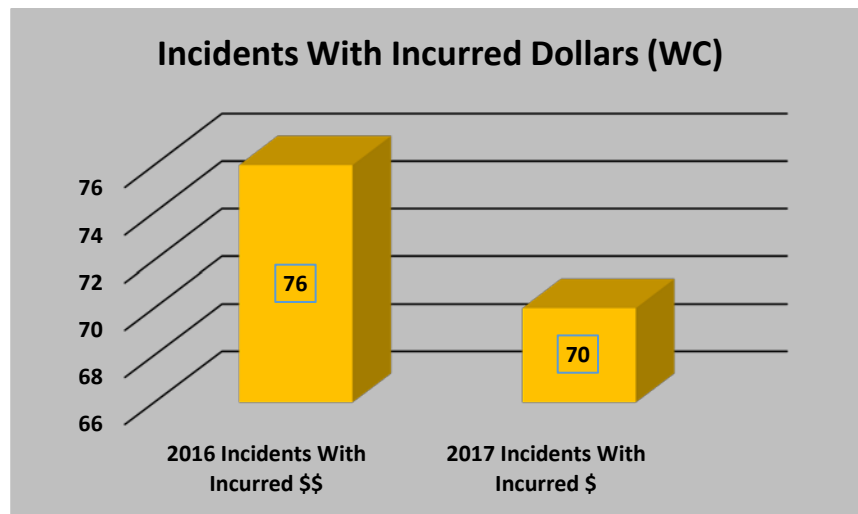

Area	Injury	Injury Details
College of Arts and Sciences	Sprain/Strain	Employee was walking outside and slipped on uneven pavement, twisting ankle.
Physical Plant	Back Pain	Employee slipped on snow while working on top of roof and twisted back.
UREC	Contusion	While applying floor stripper, employee slipped on the solution and fell.
College of Arts and Sciences	Contusion	Employee slipped on steps at IG Greer when it was raining causing a fall.
Housing	Exposure	Employee was using foam gun to spray disinfectant in bathroom. Hose connection was not properly secured causing chemical to spray in face, eyes, and mouth.
Food Services	Sprain/Strain	Employee sprained ankle while walking to car.
Physical Plant	Burn	Steam valve was not fully closed. Small amount of steam was released, causing minor burn.
Food Services	Burn	Employee was handling a hot pan of food when it spilled and made contact with exposed skin (hands) causing a minor burn.
Food Services	Burn	Employee was handling a pan of cooked food when some of the water spilled causing minor burn on foot.
